

## Statement of Duties

**Position Title: Credit Assessor [Veteran RPL Project]**

### Position Summary:

Position Summary

The Credit Assessor will be responsible for assessing the ADF LMP data and mapping to [higher education institution] course and unit learning outcomes. They will document their decisions in the credit mapping framework and seek the appropriate approval from academic and professional faculty staff.

They will liaise with the Project Coordinator/Manager to ensure timely and complete assessment and mapping of ADF LMPs to [higher education institution] courses.

They work collaboratively with, and seek input from, faculty colleagues as required.

### Responsibilities:

- Timely assessment of ADF LMP data against [higher education institution] course and unit learning outcomes to determine equivalency.
- Record assessment in the credit mapping framework.
- Seek required school and faculty approval for recommended [higher education institution] credit to be awarded for ADF courses.
- Provide outcomes of credit mapping to the Project Coordinator/Manager.
